## **Meeting of the San Diego Rock Art Association, SDRAA**

February 21, 2010

Kumeyaay-Ipai Interpretive Center

13104 Ipai Waaypuk Trail

Poway, CA 92064

The meeting was called to order by Sherry Eberwein after the potluck dinner at 5:30 PM.

The following topics were discussed by Sherry Eberwein:

The Core Committee's revision of the mission statement and Code of Ethics.

The Core Committee's choice of the Rancho Bernardo Style Logo for the group and suggestion that it be in black and white for cost efficiency.

The April 11 meeting will be a sharing of pictures from the members and guests. Participants are asked to contact Greg Erickson if wanting to present.

Siobhan Hancock gave a brief talk about membership and discussed a survey she had created for SDRAA. She explained the survey was asking participants to state their interests and what their future involvement might be. She asked members and guests to fill out the survey. There are 35 paid charter members at this point.

Members and guests introduced themselves and spoke briefly about their rock art background. Thirty-three people were present at the meeting.

The meeting ended and Jeff LaFave gave a fascinating presentation on Australian Rock Art.
