

San Diego Rock Art Association Meeting

Kumeyaay-Ipai Interpretive Center
13104 Ipai Waaypuk Trail (formerly Silver Lake Drive)
Poway, CA 92064

It's SDRAA's Fifth Anniversary and time for our Annual Nostalgia Night! Presenters will be dusting off their old 35mm color slides, prints, videos, and other antiquated forms of media to enlighten and entertain attendees on all aspects of rock art studies. Please come and join us to help celebrate the adventure, discovery, and humorous anecdotes from the pre-digital era. This is a chance to see many of the "old timer" sites before manmade and natural disasters destroyed them for good, and a chance to share that special site never before seen in the annals of San Diego Rock Art. To participate, please give us a heads-up so we know how many presenters to expect. Plan on a maximum of 20 slides (old-time 35mm only, or prints, but no digital this month) and contact Program Director Elanie Moore at: elanierockart@yahoo.com

NEW THIS YEAR FOR OUR FIFTH ANNIVERSARY: SELFIES FROM THE STONE AGE! Well, Maybe not *the* Stone Age, but we encourage you to bring an image or two from your earliest Rock (Art) Ages showing you at a rock art site or in some other related context. This is SDRAA's Fifth Anniversary, but we know most of you have been going around in rock art circles longer than that. If you really look different now, we will have a great time identifying you in images from your distant past. Start looking now for those pictures of you in your rock art adventures of yesteryear!
