NOSTALGIA NIGHT

Join Us for Nostalgia Night June 9

This year we celebrate our first decade with our 10th Anniversary Edition of Nostalgia Night! It's time to dust off your old slide boxes and bring out your favorites from the pre-digital age of 35mm slides. We invite you to bring your slides and the story to go with them, and we will provide the projector and load the slide trays. This year we are also accepting digital entries—if you have old slides that you have rescued or restored using modern digital techniques, we can show them, too.

To participate, please contact Steve Freers at sfreers@icloud.com to give him the details of your presentation so we can plan the program. We can also accommodate films, videos, and other antiquated forms of media, but if you have these to share, you **must contact Steve in advance** so we can be sure to have the proper equipment available.

Potluckers Please Note: There will be a 10th Anniversary cake, so please plan on bringing something other than dessert!
