

San Diego Rock Art Association Meeting  
**April 5, 2020, Meeting Cancelled**

Kumeyaay-Ipai Interpretive Center • 13104 Ipai Waaypuk Trail (formerly Silver Lake Drive) • Poway, CA 92064

**Dear SDRAA Members and Friends,**

**I am writing to inform you that the April 5, 2020, SDRAA General Meeting will be canceled due to concerns surrounding the spread of the coronavirus. The Core Committee made this decision after assessing the latest data being reported by the WHO and the fact that a large number of our members are particularly vulnerable to the coronavirus illness. At this time we are hoping the June 14th General Meeting will occur as scheduled, but recognize that it will depend on how the COVID-19 situation evolves. In making that decision, rest assured that safety will be our top priority. Over the coming weeks, we plan to launch other ways to keep our SDRAA members engaged in some new and fun ways. Please stay tuned. Wishing you good health and all the best,**

**Greg Erickson, SDRAA President**

Watch your email or return to this page for a message coming soon from Program Coordinator Steve Freers about ways you can join in keeping us all engaged in our shared appreciation of rock art.
