NOSTALGIA NIGHT 2021

Join Us for Our 2021 Virtual Nostalgia Night

The June 6, 2021, Zoom meeting will be our tribute to bygone rock art adventures which we call “Nostalgia Night,” an annual tradition for SDRAA. It has long been a program highlight for us, primarily because we have gotten to hear from many of “YOU.” The premise of Nostalgia Night helps cope with the consequences of the current pandemic, that of reliving and sharing previous rock art experiences and adventures with each other.

What is Nostalgia? Among other definitions, it is a “yearning for return to some past period.” This does not say how *far* in the past. We are approaching two decades of the digital experience in photographing rock art, so by now many of our digital images are “nostalgia.” Some of us have converted old images to digital scans, but for the rest we can reserve our actual slides for a post-pandemic time. We look forward to sharing our digital images from times past, even if it was last week!

Current SDRAA members have received instructions on how to prepare their images for Nostalgia Night, but we also welcome participation from our non-member friends. If you are interested in joining the fun, please download our instructions for preparing and uploading your images at this link:
