Show & Tell: Presentations will begin at 3:00. Bring digital images on any area of rock art interest to share as a 15 – 20 minute informal talk. To participate, bring a flash drive with a folder containing your images, or a PowerPoint presentation. Folder images will show as sorted in the folder, so name your images accordingly—an easy way to do this is to add a two-digit number to the beginning of each file name (with padded zeros: 01, 02..., not 1, 2...). **Let Steve Waller know in advance at info@sandiegorockart.org if you are bringing pictures to show.**
