

SDRAA In-Person Potluck Meeting Sunday, June 22, 2025, 1:30 p.m. PDT

Who: Members and recent past members of SDRAA.

What: *Join us for our June In-Person General Meeting, bring a potluck contribution for lunch and images of your favorite rock art to share with your fellow members. Bring your own preferred drinks, but **please note that alcoholic beverages are not allowed because we are meeting in the Public Library.***

Note: there will not be a featured speaker. We encourage you to bring a selection of rock art images to share in an expanded Show & Tell. **Details below.**

When: Sunday, June 22, 2025, 1:30 p.m. Pacific Time. The room will be open after 1:00; early birds can help up set up tables and chairs. Meeting will end at 4:45 p.m.

Where: Community Room, San Diego Public Library, Mission Valley. The Library is located in the Fenton Marketplace shopping center, next to IKEA. Fenton Marketplace is located on Friars Road between Fenton Parkway and Northside Drive (see map below).

Why: Let's continue our tradition of a summertime in-person meeting with an informal potluck and "Show & Tell" presentations from members. The spacious community room has tables and chairs and a digital screen for presentations. Last year's in-person meetings were quite a success with good turnout, and we hope you will join us again.

How: *Your optional RSVP will help us plan the meeting and adjust potluck contributions if required. If you are bringing images to share in Show & Tell (see below), use the [RSVP link](#) to let Steve Waller know.* Forgot to RSVP? Please bring some food and come anyway!

Show & Tell: Bring digital images on any area of rock art interest to share. To participate, bring a flash drive with a folder containing your images, or a PowerPoint presentation. Folder images will show as sorted in the folder, so name your images accordingly—an easy way to do this is to add a two-digit number to the beginning of each file name (with padded zeros: 01, 02..., not 1, 2...). Use the [RSVP form](#) or let Steve Waller know at wallersj@yahoo.com if you are bringing pictures to show.

Plus: door prizes, raffle, silent auctions, but most importantly: an exciting opportunity to once again socialize and have discussions with rock art friends. Please consider bringing a rock-art-themed item to donate for the prizes.

Zoom? For our out-of-town members, *if there is sufficient interest*, we will set up a Zoom connection at approximately 2:30 so you can greet our local members and view Show & Tell. If you are interested, **you must use the [RSVP](#) so we can send you the link.**

Here's how to get there: Fenton Marketplace is on Friar's Road in Mission Valley, accessed from I-15 on the east, or from the Qualcomm Way exit off I-8 on the west. The Library has its own dedicated covered parking next to IKEA, with ample additional parking in the Fenton Marketplace lot.
